

# Mike & Joe

---

Mike & Joe tour venues across the Midwest (and beyond!), getting everyone on their feet to belt out the lines to your favorite songs. Four guys who just love playing together and showing everybody a good time — Mike, Joe, Aaron, and Cory are veteran musicians who have earned the reputation as "The Midwest's Most Renowned Cover Band" from both their fans and peers.

From Blink 182 to Mumford and Sons, the bulk of Mike & Joe's setlist covers the most popular rock songs from the 90's to today — with the occasional hit from the 70's and 80's to mix it up. The band's incredible sound viscerally recreates some of the best hits of all-time, while bringing a unique local style that makes everyone in the room feel like they're listening to friends.
